LINDA JENSEN

FRONTEND DEVELOPER STUDENT

PROFILE

Creative and driven former Upper Secondary School teacher currently studying to become a frontend developer. I have a solid foundation in HTML, CSS, and JavaScript, and my previous experience as a teacher has provided me with strong skills in structure, problem-solving, and communication. I am currently seeking an internship where I can contribute my knowledge and where we can grow together.

WORK EXPERIENCE

2011 - 2024

Drottning Blankas Upper Secondary School - English and Social Studies Teacher

- Planned and conducted lessons in accordance with curriculum and subject guidelines.
- Created teaching materials and adapted lessons to meet the needs of different students.
- Provided feedback and support to promote students' development.
- Evaluated, assessed, and graded students' performance.
- Collaborated with other teachers and school staff to help students develop to their fullest potential.
